Due to limitations of printing reproduction, CertainTeed can not guarantee the identical match of the actual product color to the graphic representations throughout this publication.

## two levels of protection

When it comes to weathering the elements, XT 25 is quite simply at the top of the class. Built on a tough fiber glass base, the shingle provides exceptional resistance to blow-off and tearing and has a 10-year StreakFighter® warranty. For just a bit more money than an ordinary shingle, XT 25 gives you a whole lot more. Product conforms to the following specifications:

- UL Class A fire resistance
- UL certified to meet ASTM D3462
- UL certified to meet ASTM D3018 Type 1
- Conforms to CSA standard A123.5-98

For U.S. building code compliance, see product specification sheets.

## color companion products™

CertainTeed offers Flintlastic™ SA, a low-slope roofing product that goes perfectly with XT 25 shingles, giving you the flexibility to coordinate or match areas such as porches, canopies and carports with your main roof.

## specifications & warranty

### XT 25

- 205 lb. per square
- 25-year limited transferable warranty against manufacturing defects
- 10-year StreakFighter® algae-resistance warranty
